

Footprints

Footprints

From \$0 /night

Footprints is a stunning 5 bedroom Barbados beachfront villa on the West Coast of Barbados. This sleek contemporary luxury property features 6,500 square feet of living space with several stories of balconies and terraces.

The interior, designed by Kelly Hoppen, includes a fitness room, media room, formal dining and kitchen. The large master benefits from floor-to-ceiling windows which maximizes the spectacular Caribbean Sea views. Set on 12,000 sq. ft. of beachfront land, this luxury holiday villa boasts the following outdoor space: a covered terrace, alfresco dining, infinity edge pool and manicured gardens.

This Barbados beachfront villa is in a prime location on Alleyne's Bay Beach. The Lone Star restaurant, beach bars and boutiques are only steps away.
