St. Helena

From \$5,000 /night

St. Helena is a beautiful 8 bedroom Barbados beachfront villa on the West Coast of the island. This holiday home comfortably sleeps 16 guests as there are 5 en-suite bedrooms in the main house along with 3 bedrooms in the separate guest cottage. The bright and open living spaces include family room with home cinema, study, kitchen and dining room. There is also a semi-circular verandah equipped with bar and lounge area which offers spectacular Caribbean Sea views.

This 8 bedroom Barbados beachfront villa is nestled within lush tropical gardens. Exterior features include an al fresco dining patio, swimming pool, pool deck and bar. St. Helena is fully staffed with a Butler, Cook, Two Maids, Laundress and Gardner. The team at this West coast home are dedicated to making your holiday an enjoyable one.

There is excellent swimming in front of St. Helena with a private raft and swim area. A beach-side dining gazebo is located in the gardens between the house and the edge of the beach.
