Mirador is a newly constructed contemporary luxury beachfront villa on the West Coast of Barbados. This West coast holiday home is beautifully finished with an open plan interior. The interior comprises of a living area, kitchen, formal dining room and four spacious bedrooms. Each bedroom at this contemporary luxury beachfront villa has an en-suite bathroom as well as air-conditioning. Meanwhile, the master suite, along with two additional guest suites, open out onto the upper patio. From this level, guests can enjoy views which overlook the pool terrace, gardens and Caribbean Sea.

In addition, the outdoor living space benefits from a covered terrace, private swimming pool, alfresco dining area and tropical gardens that lead out to the beach
