Sandy Cove 102

From \$950 /night

Sandy Cove 102 is a 3 bed beachside luxury apartment with private plunge pool. Few things echo ‘tropical paradise’ louder than endless stretches of white sand met by the turquoise waters of the Caribbean Sea. Ticking both boxes, Sandy Cove 102 is truly a slice of splendour.

Away from bustling Bridgetown, it's a place of sheer beauty that allows you to enjoy exactly what Barbados is meant for: relaxing. A spacious sea-facing terrace invites you to start your day with a morning coffee while soaking up views of the area's secluded azure bays and blooming bougainvillea bringing hummingbirds from afar. Here, you can dine al fresco and take advantage of direct access to a private plunge pool and an automatic sun and privacy shade. When you're not busy entertaining, stroll next door to The Cliff, a world-acclaimed restaurant and one of the island's very best.

Inside, you'll find 2,786 sq ft of luxurious living and breathing space.
