

Holder's House

Holders House

\$4,950,000

Holders Plantation House is a charming 17th century Barbados property for sale. The location of the home offers trade wind breezes and beautiful sea views. The main house features ample living space with wrap-around verandah, study and an open-air dining room. This Barbados real estate has 5 en-suite double bedrooms as well as 2 guest bedrooms with a shared family bathroom. The master benefits from a balcony with sweeping views over the West Coast and Caribbean Sea.

Holders Plantation House is set amongst five acres of formal gardens, gently sloping lawns and tropical orchards. In addition, outside areas comprise of coral stone sun deck, swimming pool, terraces, dining gazebo and 2 separate guest cottages.
