

Blue Vista

Blue Vista

\$9,750,000

Blue Vista is a stunning coral stone luxury Barbados villa available to own. This Barbados real estate offers outstanding country and sea views from its desirable location within Turtleback Ridge. The exceptional home features five air-conditioned bedrooms each with en-suite bathrooms. There is also a formal dining room, impressive foyer with sweeping staircase, gym and private media room. This coral stone luxury Barbados villa is set within approximately two acres of manicured tropical gardens. As a result, the outdoor space comprises of an expansive covered terrace, infinity edge swimming pool, Jacuzzi and poolside gazebo. In addition, there is also a self-contained guest cottage, which features its own gated entrance and plunge pool.

Turtleback Ridge is a secluded cul-de-sac of luxury private homes overlooking the West Coast of the island. Offering unparalleled privacy and tranquility and located just 10 minutes from Holetown.
