Highlands at Sandy Lane is a luxury Barbados home on the Platinum Coast of the island. This high-end property commands over 2 acres of beautifully landscaped gardens. The villa sits on one of the highest positions within the Sandy Lane Estate. This exceptionally private home is now available for holiday rental. With no neighbouring houses to the property's rear, Highlands benefits from unobstructed cooling tradewinds from the east. In addition its elevated position guarantees afternoon sun and evening sunsets.

Immaculately landscaped, there are lush indoor / outdoor gardens at this Sandy Lane villa. This helps set the scene for this unique home in the tropics. The main bedroom wing at this Sandy Lane luxury villa includes the spacious master bedroom suite and 3 other guest bedroom. All bedrooms have air conditioning and their own private bathrooms and terraces. In addition, the enchanting dining area is bordered by lush tropical plants and a water feature helps set the scene for memorable dinner parties with friends or family.
